**Primary Health Care**

## **Family Practice Nurse (*Your Centre's name*)**

The (your centre's name) is seeking an innovative, highly motivated and energetic team player for the position of family practice nurse. As a member of a progressive, interdisciplinary team you will have the opportunity to impact the health of individuals, families and the community through health promotion, disease prevention and chronic disease care and community development. You will be a valued member of the primary health-care system and be strategically placed to make a difference while optimally exercising your knowledge and expertise. As a family practice nurse your roles would include clinician, co-ordinator, consultant, educator, leader, and advocate.

The (Centre) is an innovative centre in the heart of (your community). The team is committed to providing optimal care to its more than (# of patients) patients and is expanding to include other health professionals to provide a more comprehensive approach to primary health-care delivery. We (are/will be) utilizing an electronic patient record.

Applicants must be currently licensed to practice nursing in (your province), have current certification in CPR and be prepared at the baccalaureate level (commensurate expertise and experience will be considered). The successful candidate will have experience in a variety of specialties and health-care settings. Experience in primary care will be considered an asset. The family practice nurse must have proven leadership ability and strong interpersonal skills and be willing to work flexible hours. A competitive salary is offered.

If you are interested in pursuing this exciting opportunity, please send your resumé and covering letter to:

(name)  
(address)  
(phone)  
(e-mail)

Closing date: (2-3 weeks is reasonable)

We thank all applicants; however, only those individuals to be interviewed will be contacted.

**March, 2007**
